Internships

APSCHE And IIDT - Link

November 2023 – April 2024

Cyber Security Intern

Virtual Internship, A.P

- protecting internal networks from unauthorized access or intrusions by employing firewalls, intrusion detection systems, and encryption.
- protecting data, applications, and services in cloud environments, ensuring that security measures are applied even when data is stored or processed offsite.
- protecting devices like computers, smartphones, and servers from malware and other threats by using antivirus software and endpoint protection solutions.
- cybersecurity is a critical aspect of modern digital life, covering sectors such as finance, healthcare, government, and personal devices, and its importance grows as technology advances.

Consensus Academy - Link

May 2023 – June 2023

Java Full Stack Intern

CBIT College, A.P

- assisted in development of the front end of a web application for windows using HTML, CSS, and JAVASCRIPT
- frontend frameworks such as React.js.
- collaborated with team members using version control systems such as Git and GitHub to organize modifications and assign tasks.
- utilized VS Code as a development environment in order to visualize the application in both windows and android with responsive web pages.

Projects

Personal Portfolio | HTML, CSS

July 2023

- Developed a fully responsive website using HTML5 and CSS3, ensuring seamless user experience across mobile, tablet, and desktop devices.
- Implemented CSS animations and hover effects to enhance user interactivity, improving overall user engagement by 20.
- Ensured cross-browser compatibility by optimizing the website for major browsers, leading to a consistent look and feel across Chrome, Firefox, and Edge.

Simple Calculator | HTML, CSS

June 2023

- Designed a user-friendly calculator interface using HTML5 and CSS3, incorporating basic arithmetic operations (addition, subtraction, multiplication, division).
- Developed a responsive layout ensuring the calculator adapts to various screen sizes, offering a consistent experience on mobile and desktop.
- Styled interactive buttons with hover effects and subtle CSS animations to enhance user experience and visual appeal.

Extracurricular

CLUB WORK

2022 – 2024

Board Member

CBIT COLLEGE

- Organizes and executes club events, from brainstorming ideas to coordinating logistics and ensuring successful outcomes.
- Plans and manages fundraising activities, ensuring the club has the financial resources to achieve its goals and tracking budget allocations.
- Organizing and coordinating events, workshops, or social activities.
